Hi all,
Just a reminder that I need to get these hot topics to HQ today, so please let me know if the following are still "hot" and if so, please update these write-ups as needed. I highlighted the ones I'm still waiting to hear on.
Thanks!

Subject: Hot topics for ECOS - please review!

Hello,

I'm pulling together materials for the Administrator's upcoming engagement with state commissioners at the March 16-18 ECOS Spring Meeting. Attached is the list of Hot Topics we used for NGA/WGA events last month. Could you please take a quick look and let me know if the hot topics listed for your Region are still Hot? Am looking for additions and/or deletions by COB **Monday, March 9**.

FYI, at this point, 43 member agencies are registered to attend. The states that have not registered include: NJ, IL, AK, FL, HI, ND, and SD.

Thanks,
